HOTEL Sail City

Moin! Dear Guests,

Our ATLANTIC Hotel Sail City is a dog-friendly hotel and we are pleased that you have chosen our establishment for your stay! We are happy to welcome your four-legged friends together with you in selected rooms upon request.

In order for everyone to feel equally comfortable in our hotel, we ask you to kindly observe the following house rules:

- It is not allowed to keep more than one dog in the room at a time.
Our hotel can only accommodate a limited number of animals at one time.
- Your dog must be kept on a leash throughout the hotel, including in the entrance area and on the driveway.
- **In your room:**
Your four-legged friend may spend the night on the dog blanket provided by the hotel or in a dog bed you bring with you. Our hotel beds are off limits for dogs.
Please use your own towels from home to dry your dog. The hotel's towels are only meant for the hotel guests.
If your dog is left alone in the room, please hang the "Dog in room" sign on the door.
For safety reasons, the housekeeping team will not clean your room if an unattended dog is in it.
- **STROM restaurant:**
Due to hygienic regulations, our richly assorted breakfast buffet, as well as any other meal provided by us as a buffet, must be kept dog-free.
- **Taking your dog for a walk:**
The Weser dyke offers extensive exercise for your dog in the immediate vicinity of our hotel, with ample opportunity for even the "smallest business", which would be out of place in the hotel entrance area.
When you return from your walk on the dyke, please dry and clean your dog before entering the hotel facilities or your room.
- **Wellness area:**
Dogs are not allowed in our entire Wellness Corner, including the sauna.
- **Costs:**
For your dog, we charge € 20 per night.
If your room is above-average dirty due to your dog, we reserve the right to charge a one-time additional final cleaning fee of at least € 150.
